MEMORANDUM FOR STATE PARTY CHAIRS AND EXECUTIVE DIRECTORS**FROM: Joe Sandler & Neil Reiff****SUBJECT: 527 Disclosure for State and Local Candidates**

This memorandum is a follow-up to our memorandum of July 14th, in which we informed you about new registration and reporting requirements under section 527 of the Internal Revenue Code.

As we informed you last week, the new law requires state and certain local party committees to register with the IRS no later than July 31, 2000.

The registration portion of this law also applies to state and local candidates who expect to raise in excess of \$25,000 in a calendar year (Form 8871). However, like party committees, state and local candidates are exempt from the periodic reporting requirements. State and local candidates will be required to file an annual informational return beginning in 2002.

We would like to request that the state party distribute this memo and information to those state and local candidates who would qualify for registration under the IRS law.

Please note that the Form 8871 must be filed both by mailing the signed, completed form to IRS Center, Ogden UT 84201 and by filing the form on the web at www.irs.gov/bus_info/ee/pol-file.html.

Forms 8871 may be obtained on the IRS website in the Forms and Publications section of the IRS website at www.irs.gov.

If you have any questions or need further information, please contact us.
